- DCMC Report – Dennis H. (*District Committee Member Chair*): I'm sure you've heard about the CNCA bid to host the AA International Convention in 2030; if we were to do it, we would need 4,000 people to volunteer to be of service to host it; what we need to know is how many people from your group, roughly, are interest in hosting the convention and would be of service to help host; once you get an estimate of the number of volunteers – email this address: AA2030@CNCA06.org ; must do it before the end of Nov// Q: do we need emails of the people volunteering?// A: no// Q: if we want to take this back to our meeting what do we say?// A: that is there going to be a bid for 2030, then ask how many people want to support this bid// Q: how many so we have so far? are we close to 4000?// A: i wouldn't worry about that// Q: if my group asks about what we'd be doing at the convention, what do i tell them?//A: I think all they need to know right now is that it's going to take place in Santa clara, and it's in 2030; mostly they are just trying to get a sense of how much interest there is in doing this// *Comment:* in the spirit of sharing experience, strength and hope, I'll share what I did; I've already taken this to my group; I asked whoever was interested to raise their hand; I counted and rounded up by 10 and sent that number and my group's name to the email address// correct email address AA2030@CNCA06.org //DCMC - the next thing is Unity Day; it was a really fantastic event; how many people went?; the event planners did a great job; next month we will be holding elections for the new event co-chair; we elect co-chairs on rotating years so there is always a veteran event coordinator who can spend the year doing

the pass it on to the incoming events coordinator; we'll talk more about this at the next meeting; and quickly before we get started; Archives work day; now for the inventory; everyone wants to participate

- Financial Report – Gilbert G., District Treasurer: 2018 Budget proposal underway; discussion next month; please contact me with Qs
