District Inventory

- Claudia N. shared before we moved to breakout rooms to discuss inventory questions
 - She read a passage from “AA Comes Of Age” to remind us why taking an inventory (individual/group/etc.) is important for continuous growth
 - Watch words to consider: open mind, no opinion, listen and be respectful
 - There will be notetakers and we will go through questions round-robin
 - Breakout room attendees should not interrupt and listen to each other
 - No decisions will be made -- this is not a group conscience
 - Anonymity will be in place for the notes
 - A committee will be developed out of the inventory answers so we can take action where needed
- Opened the floor to questions before moving to breakout rooms
 - Julie asked if we were supposed to bring our group's opinion on these questions or if we were supposed to bring our own opinions. Jackie Bendzinski answered that as GSRs, this is our district and so we as individuals will know best how to answer, no need for home group's opinions
 - We were then randomly assigned to breakout rooms

After the breakout rooms ended, we were brought back to the main room to hear again from Claudia and thank everyone who facilitated and took notes

Officer and Liaison Reports -- these will be emailed out rather than verbal reports since tonight's meeting was dedicated to district inventory

Closing with the Responsibility Statement:

I am responsible, when anyone, anywhere, reaches out for help, I want the hand of AA always to be there, and for that I am responsible.
